

BetterGains

Devin Castillo

The Problem

- A lot of people struggle with anxiety when they start going to the gym
 - When it comes to their training they do not know what they should be doing
- Many new and current gym goers want personal trainer
 - Where do they find them?
 - What's the budget?
 - Where do they meet?

Your Solution

- Platform to find and connect with personal trainers
 - Reviews, prices, Integrated online meetings
- Avoids users having to search through multiple social media sites and google searches to find someone
- Personalized recommendations

Website Type

- Our website type is E-Commerce
- We are selling the platform to both trainers and gym goers
- This format works for the product as this is a service we are providing to users.

Software Development Process

- Our software development process will be Agile
- Agile is best because of how user dependant this website will be
 - Take feedback and adjust/go back to other stages in development

Target Audience

Persona 1: Emily Rodriguez

Gender: Female

Age: 20

Location: Providence, Rhode Island
